## Mercy Medical Center – Des Moines Family Medicine Residency Program

### Clinical Hospital & Highlights

- 802-bed acute care, not-for-profit Catholic hospital situated on three campuses (Des Moines, West Lakes, and Franklin) all within 10 minutes of each other.
- High-volume Level II Trauma Center

### Clinical Training

The Mercy Family Medicine Residency Program includes:

- A concentrated study of all disciplines that contribute to the practice of family medicine
- Extensive procedural training
- Direct, hands-on experiences that equip residents to provide high-quality patient care in an evolving health care environment

*The Mercy program is ACGME-accredited, offering medical student clerkships. It is designated a CORE site for Des Moines University.*

## **Mercy Medical Center–Des Moines Family Medicine Residency Program**

### **Program Highlights**

#### *Curriculum*

- A curriculum covering all medical specialties and subspecialties
- Enhanced education facilitated through coordinated educational efforts and routine sharing of knowledge
- The opportunity to choose electives, which are arranged with each individual resident
- Academic enrichment through a lecture series
- Elective programs with associated rural hospitals
- The knowledge and skills to provide comprehensive, cost-effective health care to their patients and families regardless of diagnosis, sex, age or other factors
- The ability to incorporate disease prevention and health maintenance into the care of their patients
- Assistance and training to effectively coordinate all health care services received by patients and their families
- Community resources to improve the health care delivery system

#### *Faculty*

The faculty, staff, attending physicians and hospital personnel are dedicated to producing a family physician who will be ready to provide comprehensive, continuous, coordinated and community-oriented health care in a variety of settings

#### *Faculty include*

- Dean Moews, MD, Interim Program Director
- Chandra Batra, MD, Associate Program Director
