

Trinity Bettendorf

Trinity Osteopathic Family Medicine Residency Program

Trinity Bettendorf Highlights

- Trinity Regional Health System is an affiliate of UnityPoint Health.
- Trinity Bettendorf is part of a four-campus Trinity Regional Health System with hospitals in Bettendorf and Muscatine, Iowa, and Moline and Rock Island, Illinois.
- The Quad Cities (Davenport, Rock Island, Moline and Bettendorf) have a population of 400,000 and are located on the Mississippi River.
- Trinity is a community-based hospital with strong osteopathic roots and history.
- This is the only unopposed osteopathic family medicine residency program in the state of Iowa.
- Life, disability, health, vision and dental insurance is available to residents as well as a relocation allowance and generous CME stipend.
